## CryoSpa Mini

### Therapy On The Move ®

#### Reducing the risk of tennis, golfer's & pitcher's elbow.

The CryoSpa Mini is a portable 'ice bath', which has been designed for lower arm therapy. With a compact design it is easy to operate and ideal for treatment at tournaments, at away matches or at home.

It includes a built-in chiller with digital temperature controller enabling to chill the water as low as 5°C. Combined with massage jets it provides intense chilling and accelerated recovery for the lower arm, which makes it ideal for throwing and racquet sports.

It is also suitable for wheelchair athletes.

#### Benefits

- Shorter recovery time post-match.
- Stimulates circulation and lowers risk of injury.
- Ideal for joint soreness, strain and inflammation.

#### Features

- Set Temperature as low as 5°C.
- Chills to target temperature in minutes.
- 4 Massage Jets.
- High salt concentration.
- Simple to operate.
- Compact design for easy transportation.
- Built-in Chiller & Pump.
- Plug & Play design.
- Two year guarantee on spa body and 12 months on the chiller.

#### Technical Specification

- Power: 230 v / 1 / 50 Hz  
The power cable includes a RCD protected plug.
- Dimensions: 0.69m x 0.34m x 0.81m [L x W x H]
- Weight: c. 50 kg
- Jets: 4 Massage Jets
- Chiller: Low noise low temperature built-in chiller
